public justice. Emerging from this long night of semi-barbarism, in which the judicial ermine is too often seen in the fith of partizan strife, or adorning the shoulder of bloody and cruel men, what relief do we feel on seeing the King's Bench ocupled by that sound lawyer and upright udge, Sir John Molt, whose justice and humane administration extoried evon from a crimical condemned to death by his Honor, an expression of thanks that he had had a fair trial. The influence of such man is felt after they have gone to their graves, and distnot generations feel the fruits of such officers long in after

What intelligent reader falls to look to Coke, Holt, and Camden, as builders of the English Government, rather than to Warriek, Mariboro or Wellington? Brought by official duty more directly in contact with the private interests and domestic relations of society, the ju dictary has in all ages held a more place in the hearts of the people, and their influence is more sensitively felt, in the domestic circle, than the functionaries in other departments; and when they compline learning with integrity and purity, their names become familiar as housed the figodes and synonims of purity and goodness. What pure-minded, historical reader, would not prefer to occupy, in listory, the place of Sir Thomas

Memphis and her trade has been in a great degree built up by constructing strengesses 240, Alabama 17, Missing cords); Tennesses 240, Alabama 17, Missing the received the bighest number of all the votes cast, and are therefore dealered in bonds and their influence is more sensitive constructing the reads cords); Cord of Alabama 17, Missing 20, Virginia 23, Oulo 7, South Carolina 7, Indiana 5, Louisiana 1, Maryland 3, Indiana 1, Maryland 3, Indiana 1, Maryland 3, Indiana 1, Maryland 3, Indi in history, the piace of Sir Thomas Moore, or Sir John Holt, to that of Napoieon or Wellington? And who does not feel a glow of pleasure in contemplating the character of the great Lord Camden, which all the victories and military renown of Coades, Mariboro and Wellington, fail to excite? As an instrument of moral culture, there is, in my judgment, no class of functionaries is described and my tile great country—look at it. From seven acres of land comes feed for thirty—instrument of moral culture, there is, in my judgment, no class of functionaries is not a good thing to have. And think on the stock or not. The smallest incidents in life control the destinies of individuals, cities, States, empires. If we shall ald as asked in building the proposed road, we shall have pouring upon our city an ever invigorating, ever increasing those life to mot a good thing to have. And think on life control the destinies of individuals, cities, States, empires. If we shall all as asked in building the proposed road, we shall have pouring upon our city an ever invigorating, ever increasing those pounds of butter will be the great with the great Northwest in business, in interest, police scrip and county warrants in sums to suit tax payers, can be obtained at the lowest rates at the Memphis City Save convenience of those wishing to save the lowest rates at the Memphis City Save convenience of those wishing to save the large and we learn that many scenes and pure judiciary. Not even the pulpit have just arrived and will be put on at with all its learning, zeal and elequence, not unaware of the gravity of the question here mooted. Trained and educate in the church from my childhood, and accustomed to intimate association with Democrat, Nov. 18, 1868.

The above speciacular piece so highly spoken of by the press of other cities will be presented during the coming week at the New Memphis Theater. To assummedate those who reside in the country special trains will be run on all country special trains will b

SINCE OF CHIZENS IN ARKAN.

THE LATE JUDGE J. C. HUMinwyers are the preachers." No man
can carefully peruse the writings of the reat Connector Kent, and not seraely in them a vein of pure and lofty truth on Memorial to the Board of Mayor studied must leave deep and lasting traces on the mind. There is a moral force in his powerful delineations of ruth that cannot fail to have that effect.

What true American can fall to conemplate with a glow of pride and pleas-re the character of Kent, of Marshall, Taney, and the host of judicial fuga aries whose learning and integrity hav derned the history of our country And wito can calculate the value of their influence upon our national character Coming a little nearer home, with what leasure should Tennesseeans look upon the learning and public services of Haywood, the pure and gifted Green, of Resse, and the accomplished Turley. These are names dear to every son of Tennessee. They are treasured in every ns are so large a space in the public mind, adding luster to the renown of the State by their learning and ability, will long of their learning, as seen in our reports, will be read with profit and pleasure by atudents in all time to come. stayed. Clouds and doubts may overcast their sky, and for a time throw their It is well known to every man in the fearful shadow across their pathway a judiciary, tyrants and usurpers wil flod it a diffiguit task to rob them of

of slavery. Written for the Memphis Appeal.] "COTTON IS KING."

their rights, or long hold them in enain

BY GEORGE W. GIFT.

I will now proceed to show that 125 under proper culture. I quote from an article in the Patent Office report, 1850-Kentucky in the year 1850. There were Their names and the products of each

"J. Matson, 37 barrels, 4 bushels and 1 barrels and 2 bushels ; E. W. Hockaday, So Mr. Matson produced 189 bushels and I quart per acre, or 1890 bushels and 10 quarts on ten acres. The entire 90 acres produced 11,940 bushels and 10 quarts-per acre, 132 bushels, 211 quarts!

less cost than they of the North. Why do we not do it? We have no hay! Unthe influence of their colles and pervert and will produce an immense quantity of butter, and at the same time increase our cotion crop. This is one of the greaadvantages our climate has. We can have everything they have at the worth, and grow cotton, a staple which will yet control the commerce of the world. Mr. Ross Winans, of Baltimore, deter-

model wholeads sweet milk dairy near that city. He purchased 700 acres of land for \$49,000, and spent something over \$60 000 for manure for the same, to make hay for his cattle. He cut 1750 and his gross sales of milk and hay amounted to over \$18,000. It will be observed that the average yield was two and a half tons of hay per acre, which was regarded by Northern agricultural journals as very file. To show that we and pure judiciary. Not even the pulpit with all its learning, zeal and elequence, can equal it as a moral educator. I am not unaware of the grayity of the ones.

Don'r forget the White Fawn, at the New Memphis Theater, Monday evening.

and Aldermen.

o the Mayor and Aldermen of Memobis: The undersigned citizens of Memphis, rested in her prosperity, have underond that the same company who have used the Mississippi wentral Railroad, now propose, if they can purchase the stock of the city (\$250,000) in the Missis stock of the city (\$250,000) in the Missis sippl and Tennessee Railroad, at its market value—obtain right of way in front the town from one end to the other—

at Moore & Stanton's, at the Overton ket value—obtain right of way in front kintel, at the court rooms, and all cities of the town from one end to the other hat they will, with such aid as they may call and sign. be able to obtain on the line of the road dnish the gap of 100 miles between Memphis and Troy, and thereby make a outingous line from Paducab, through Memphis, to New Orleans. This Company likewise demands, on the completion of this through line from Paducan to Natro Demands with the children of Natro Demands with the children of Natro Demands. Memphis, that the city shall, as a bonus to induce them to build the road, issue to them the bonds of the city at ten, fifteen and twenty years, with six per cent conpons, for three hundred thousand dollars. We are surprised to learn that this proposition meets with opposition. We respectfully request that the Mayor and a verything nice and elegant (and which it was a treat to see how the young pro-

enter for numerous rallways, radiating in every direction from that city, conecting with St. Louis, Chicago, and every Northern city. These various railway companies having perfected their connections with the East, the West and the North, demand a connection with the South. For the purpose of making this connection, they have nearly completed a railroad from Indianapolis to Vincennes, and with all possible energy will push forward by a peak and appropriate address by Miss Mary Cordona, wel-Paduesh, crossing the Onio river at that point with a bridge. This railroad from Indianapolis to Paduesh is called for as Indianapolis to Paduesh is called for as year. A quariette hymn from the tierenergy will push forward their road to a great public necessity by the railway man, Grosser Goff, followed, executed companies and people of the entire Ohio and sung by Missen Jannie Barry, Mollie valley. Knowing this, they will com-plete the connection with Paducah with energy. It may well be questioned whether a larger volume of trade will centrate on any road in the country han on this road from Indianapolis to aducah, for it will be the outlet for that aducah, for it will be the outlet for that ighty valley with the South. Shall who mapped out to her her forure life. We did not get the names of those taking meet that trade in its coming, cause is? is the question which addresses the acting of the httle lady who passed to the corporate authorities of the part of the mooth-sayer.

is will say, as with one voice: Let us too! ave the gap finished from Memphis to Troy or Union City, and let us share in the trade and travel which that great theroughfare promises. To do this we must boild that road or encourage and aid others to do it. As we are not able to build that road, and as a company of to build that road, and as a company of what piences as most especially in her capitalists, for a very small considera-tion, propose to do so, by all means do what is asked or us, and let them build it. If we undertake to build it, it will cost rare scenmplishment.

the farthest pastures.

PLEASANT ENIERTAINMENT.

We were benered on Thanksgiving Notre Dame de la Salette, who had, in of counsel: nonor of the holiday, arranged a little private entertainment consisting of music | and dramatic selections. The invitation was gindly accepted, and a more delightreposition as above stated, for the fol-wing reasons:

It is well known to every man in the untry that Indianapolis is a railroad into an exhibition room—one end being curtained off for a stage and dressing room, and the balance arranged with chairs for the reception of the guests and such children as were not immediately engages in the plays.
The programme of the evening opened

with a brilliant selection from Belliagrio coming the guests, and expressing some beautiful gems of thought on the cuty of Blessing, Mary Bilbow and Mary Bolger. A drame, "The Star of Destiny," came next, and was very well acted. The plot was founded on the well known story of Josephine's interview in her youthful days with the fortune teller. o pass through Memphis, or go around the acting of the fittle lady who played itself to the corporate authorities of chorus, "Music In the Alr," Memphis, and to every interest in the was sung at the conclusion of this piece, Unquestionably, every citizen of Mem-
